Ski Trip to Austria  
Saturday 9th–Sunday 17th February 2019

Dear Parent,

Your son/daughter has expressed an interest in going on the Ski Trip which will take place in February 2019. Our annual ski trip has been running for over 35 years and for many it is a once in a lifetime trip, a wonderful experience with many unforgettable happy memories.

We are planning to go to Schladming which has a huge, world famous ski area. It boasts 750km of linked pistes and also the famous Olympic downhill ski run. It is also an excellent region for beginners and they should be able to make rapid progress.

#### Cost & What's Included?

The cost of the trip will be £830 which includes the following:

- Return executive coach transport
- Full Board accommodation
- All après ski evening activities such as ice skating and swimming.
- 6 days lift pass
- 5 hours of daily ski lessons with professional instructors and an hour supervised lunch
- 6 days hire of carving skis, boots and poles
- Ski helmets
- Snow guarantee (piste closure insurance)
- Fully comprehensive insurance
- Ski Team Resort Management
- Contingency for emergency
- Collective passport

#### School Work:

The trip will run the before the half term holiday. The learners will be missing some days of school and therefore it is essential that they plan ahead. They will be required to see their subject teachers prior to the trip to ensure they have any work that may be set during that week to complete/copy up during the holiday. It is imperative that this is done as failure to do so could have consequences in terms of academic success.

- Pupils must have a minimum of 90% attendance for the academic year 2016/17(unless there are exceptional circumstances e.g. hospitalisation).
- Pupils are expected to have a consistently good behaviour record.
- Pupils must have good effort grades in internal tracking records and on their reports.

Participation will be decided on an individual basis.

Places are limited so if you would like your son/daughter to be considered for this trip, please sign and return the slip below to me ASAP, together with a deposit of £150 paid via parent pay. There will be a further payment of £150 required in April. Please note that once a place has been confirmed, **deposits and subsequent payments are non-refundable** (exceptions may be made for medical reasons). The remainder will be collected in five £106 instalments from May-September. However, there is an element of flexibility with the instalments and how you wish to pay. Payments must be regular and complete before November 2018 or your son/daughter's place on the trip may be at risk. If you have any questions or concerns with regards to payment or any other queries please don't hesitate to contact me on the number/email above.

Yours sincerely,

Mr J G Jones (Snowsports Course Organiser)
