Giving Opportunities For All to Learn

Annwyl rieni,

**Re. Llanidloes School Federation**

The consultation on the proposal to federate Llanidloes County Primary School and Llanidloes High School has now ended. Thank you very much to everyone who responded.

The feedback we received was overwhelmingly in favour of moving ahead with federating.

**We are delighted to announce that the Governing Bodies of both schools have decided to federate from September 2019.**

As Headteachers, we are excited at the prospect of working in close partnership together to ensure the Llanidloes Schools Federation is a great success.

We look forward to working under the coherent strategic oversight of a single Governing Body, with a clear focus on securing excellent standards, teaching and leadership across both phases. We are certain our excellent staff teams will rise to the challenge of working together to ensure Welsh Government's new 'Curriculum for Life' enables all pupils to make strong progress in their learning.

Yours sincerely,

Mr D. Owen

(Headteacher, Llanidloes High School)
