We believe Llanidloes High School may well be the happiest, high-achieving school in Wales. Our Welsh stream is the largest in the school's history. Our reputation for excellent academic standards, enjoyable learning experiences, strong discipline and effective pastoral care, have led to our being one of the few oversubscribed secondary schools in Wales. The virtual open evening gives you and your child the opportunity to find why we are such a popular choice for pupils and parents alike. You will also find out how we will ensure your child flourishes should they successfully secure a place with us next September.

Under normal circumstances, we would prefer to have invited you to an on-site open evening, but the pandemic has led to all secondary schools across Powys moving to an online format. However, as things continue to improve, we trust you will be able to visit us later in the academic year.

During the webinar on October 7<sup>th</sup>, you and your child will be able to meet some of the staff, learn more about wider school life, hear answers to some frequently asked questions (FAQs) and meet a few of our smashing pupils. The webinar format also gives you an opportunity to ask questions.

We look forward to seeing you.

Yours sincerely

Daniel Owen BA. MA. (Oxon) (Headteacher)
