Year 8 Examinations

Dear Parent/Guardian(s)

The Year 8 examinations will begin on Monday 29th April and finish on Wednesday 9th May. These examinations are very important for Year 8s as they help assess progress in KS3 courses. In the past, lack of revision has proved the major cause of poor examination results. It would be very beneficial if you would discuss with your son or daughter the need for a planned programme of revision and then help them to stick to it. An examination timetable is printed overleaf. The 'Reasoning and 'Reading' national tests are non-subject related and are set by the Welsh Government. For more information and sample material please follow these links:

<https://learning.gov.wales/resources/browse-all/numeracy-sample-materials/?lang=en>
<https://learning.gov.wales/resources/browse-all/reading-sample-materials/?lang=en>

Exams in some subjects, such as History, Geography and RE will take place during lessons over the same fortnight and therefore do not appear on the timetable.

During this period there is no study leave. Learners are required to attend school every day.

Reports, which will include details of examination results, will be sent to you in July.

Yours sincerely

A Morel
Year 8 Leader
